Hello from Yacht Works, Inc

Sister Bay, WI
February 2020

We are sure you are looking forward to the 2020 boating season.

Included within, is the 2020 Spring Launch & Commissioning form. Please fill out and return to the office soon, so the crew can plan for launch or commissioning of your boat as the schedule will fill quickly.

With the high water levels, erosion and possible dock damage in and around the Bay of Green Bay, there may be issues with launch dates*. Please check with your marina prior your launch date to confirm the marina is accepting boats, then notify us.

We are looking forward to an awesome season this year!

Warm and Soft Breezes
